Yearbook Boosters!

Boosters are a great way for family and friends to congratulate your child on successfully completing the school year. Your child will enjoy reading and looking at their yearbook for years to come!

The following quote is a wonderful example of what to write in the yearbook:

“Memory is a way of holding onto the things you love, the things you are, and the things you never want to lose.”

~From the television show, “***The Wonder Years.***”

The ***Quote Garden*** is a good site for ideas.

You can also add a child’s photo to the booster.

(Quarter page minimum)

Have Fun!
